

CAPABILITY STATEMENT

WWW.NDR-LLC.COM

Network Data Resources, LLC (NDR) is a privately held, minority-owned small business located in Columbia, Maryland. We offer turn-key solutions for structured cabling, video surveillance, digital and VoIP telephone systems, and access control. And, because improper cabling is one of a thousand problems that can affect your existing data center, we also provide server room cable reorganization. With planning, we can help you increase your data center's efficiency and decrease its energy consumption. NDR is proud to collaborate with clients in both the public and private sectors.
